Welfare of Young People in Cricket Policy Statement

Introduction

The England and Wales Cricket Board Ltd (ECB) is committed to ensuring that all Young People¹ who play cricket have a safe and positive experience.

The ECB is committed to developing and implementing policies and procedures which ensure that everyone knows and accepts their responsibility in relation to a duty of care for Young People. It is committed to ensuring that there are correct and comprehensive reporting procedures, by promoting good practise and sound recruitment procedures for all individuals working within cricket. The ECB recognises that it is not the responsibility of those individuals working in cricket to determine if abuse has taken place, but it is their responsibility to act upon and report any concerns.

This policy sets out a framework to fulfil the ECB's commitment to good practise and the protection of Young People in its care within cricket.

If you have any doubt as to its relevance to your role please contact the ECB Welfare Case Officer.
